**Newsletter Update – 10<sup>th</sup> February, 2021**

Dear All,

Thinking about easing our way back when lockdown ends. We want to be safe but also open up as much as we can.

So, as a first step:

**Thursday Holy Communion Service 10am**, will start on Thursday 4<sup>th</sup> March. It will be with the usual safety instructions – space, face, hands – and the communion will only be bread not wine as before. Do come if you can.

Sunday will remain **Live Streamed at 10.30am**. When lockdown lifts, we will probably open up the service to in person by surnames as before. Watch this space.

Remember:

- **'Daily Thoughts'** begin every day for Lent from Wednesday 17<sup>th</sup> February.
- Sunday Evening 6pm. **Six Weeks Walking** with Jesus on Zoom during Lent.
- **SOS** prayer every Thursday 6-6.30pm on zoom.

This crisis is an opportunity for change. The Chinese word for 'Crisis' has two symbols representing 'danger' and 'opportunity'. We know only too well the dangers of COVID. Let's embrace the opportunities to learn to change, learn more about God and about ourselves. Things will never go back to where they were, but they can go forward to somewhere better.
