Newsletter Update – 18th June, 2021

Dear Church Family

Farewell to Jonathan and Susie

Unfortunately, because of the latest on the Covid situation we are not able to hold a farewell event for Jonathan and Susie on Saturday 26th.

So, instead, we are going to hold two special services on Sunday 27th, at 9am for surnames “A to L”, and at 11am for surnames “M to Z”. Both of these services will also be available on livestream.

Although one service will be at 9am and the other at 11am, the services will mirror one another in style, with both a worship band and the organ taking part at each. There will be an overflow venue in the large hall with a livestream for both church services. We are also aiming to have children’s groups at both services.

Most importantly we will be acknowledging Jonathan and Susie’s time with us and welcoming invited guests at both of these services.

To make this happen extra volunteers will be needed (to welcome, help with the children’s groups, set up chairs etc) so please let the wardens (Andrew.smith@stastb.church), Office (admin@stastb.church, 01452 712154) or Laine (childrenswork@stastb.church) know if you would like to help.

Although we will not now be holding a communion service at St Andrews on the Sunday 27th as previously planned, there will be a Holy Communion service at St Bartholomew’s at 5pm.
